Residential on 157.38 Acres

NONE, Rural Brazeau County, Alberta

This 157 acre property along Highway 616 west of Breton features a modern 3-bedroom, 2-bathroom home, an arch rib shop, a dugout, and plenty of open pasture land and trees. Just 15 minutes to village of Breton and 20 minutes to Drayton Valley. The Cross Country modular home was placed onto the concrete basement of a previous home. The basement is unfinished and is approximately 2 feet narrower than the house itself. The property is serviced with an open discharge sewer system, a drilled well, power, and natural gas. The furnace was replaced Dec 2024. Yard is gated. The 40x60 arch rib shop has metal clad ends and walls, concrete footings, asphalt shingle roof, dirt floor, power, large slider door on south end and man doors on both south and north ends. The seller is currently working with a contractor and an auction company to do the considerable cleanup of the property. The auction company has indicated this cleanup will not be completed until July 4, 2025. With the dugout and fencing, this is an ideal property for any aspiring farmer or rancher. This farm offers tremendous potential.
