This home has everything your family might need... a large walk through mudroom and pantry just off the kitchen, the perfect size main floor office, a living room with fireplace, and a great size dining room with a built in bench. Large windows surround the main floor and flood the entire space with the best natural light. The kitchen features a great size island, and stainless steel appliances including a built in wall oven, electric cooktop, and dishwasher. You'll note the deck is already on at the back.
