Residential on 0.07 Acres

Mount Pleasant, Calgary, Alberta

When art is your life, it influences everything you do. Understated beauty pervades every facet of this home. Wherever you look, youâ€™ll find a testament to some of Albertaâ€™s hippest and most eminent designers. Architecture by JTA Design; Studio Felix interiors, Denca custom cabinetry, Crete Collective concrete designs; Forge 53Â° the owners hand-picked the artists to conspire with. That collaborative labour of love has given birth to the elegant perfection that is 701 27th avenue. THE LOCATION: Fantastic spot on a CUL-DE-SAC street with CONFED PARK at the end of the block (so you or your kids donâ€™t have to cross any streets). CORNER LOT means the amount of light available in the home is dramatically better than a typical inner-city infill. SOUTH FACING BACKYARD gives you the best Sun, year round. THE HOUSE: Well OVER 3100SQFT of AIR CONDITIONED living space. 3 bdr up, 1 down, (with potential for 2nd bdr in basement), 4bths, 10â€™ ceilings on the mainfloor and 9â€™ elsewhere. Every floor gives you an incredible amount of light from the soaring windows on all sides. STAIRWELLS are a work of beauty with white metal railings by Forge 53Â°. THE 3RD FLOOR: Fantastic BONUS ROOM with stellar VIEWS and ROOF-TOP PATIO. THE 2ND FLOOR: Breath-taking master bedroom with FABULOUS ENSUITE and walk-in closet. 2 more bedrooms, a beautiful 5-piece bathroom and lovely laundry room complete the 2nd floor. THE MAIN FLOOR wows and

welcomes, with the warmth of natural wood in the entrance, followed by a charming piano room/office (custom metal doors). Gorgeous CUSTOM KITCHEN with STONE COUNTERS (note the rounded edges on the island), more windows and Fisher & Paykel appliances (gas range, integrated fridge). Adjoining the kitchen is a spacious and inviting living room with incredible natural light and access to the backyard. THE BASEMENT features polished concrete floors, 9-foot ceilings, huge bedroom, 4-piece bathroom, exercise space and more over-sized windows. EXTERIOR: Backyard is low-maintenance, with the potential to have some plants and a garden around the 2-car garage that is accessed from a paved back alley. Please ask for a more complete list of features of the home. But words and pictures can not do it justice – come and see it in person before it slips away like an elusive dream.
