NEW CARPETS INSTALLED 2025 in hallway and bedrooms, This home is in VERY CLEAN CONDITION with original woodwork and cabinets also in really good condition. The exterior is vinyl and brick with all windows metal clad. Basement windows are also large and therefore letting in lots of light (this is the benefit of a raised bungalow). There could easily be a studio suite (when renovated) in the bright basement with its own private entrance and this may be convenient for a family member or as additional income potential. This home enjoys "good vibes" and

should be well received in todays market.
Reportedly around \$45,000 was invested into
this property within 2025. Basement suite
needs renovations but has really meaningful
potential.
