You might think you’ve walked into a luxury condo, but this is actually a fully reimaged double-wide modular home. Every inch has been beautifully redesigned, with continuous vinyl plank flooring throughout—no transition strips in sight. The kitchen is a showstopper, featuring endless granite countertops, sleek stainless steel appliances, and a layout that’s both stylish and highly functional. The open-concept living space offers family room with a built-in electric fireplace set against a striking brick feature wall. The spacious primary bedroom boasts a spa-inspired ensuite with a walk-in shower. 2 additional bedrooms and a full bath with tub provide plenty of room for family or guests. The attached double garage has a single door and has been converted into a versatile storage and gym space but can easily be returned to its original use. Outside, you’ll appreciate the beautiful green space and the peaceful atmosphere of this well-kept community. Call your REALTOR® today to book your showing.
